

THE CRANE ASSEMBLY
DISCIPLES OF WINE

2023 Disciples Cabernet Sauvignon 777 Vineyard

Legend

Beginning in 2014, Disciples was born from a reverence for Napa Valley's most storied and historic vineyards and the distinctive wines they produce. Rooted in a belief that exceptional wines begin in the vineyard, the collection celebrates unique sites and meticulous farming practices. From old vines to extraordinary hillside vineyards, Disciples reflects California's diverse growing regions and the character of the wines they inspire.

The Wine

Situated at the base of the Vaca Mountain Range in Calistoga, the 777 Vineyard occupies a northwest-facing hillside rooted in distinctive red volcanic soils. Abundant afternoon sunshine makes it our earliest-ripening Cabernet Sauvignon vineyard each year, while dramatic diurnal temperature shifts allow the fruit to develop remarkable concentration and vibrant natural acidity. The 2023 vintage is a compelling expression of this distinctive Calistoga hillside, reflecting the remarkable balance between fruit maturity and natural freshness that defines the vineyard.

Blend Composition: 100% Cabernet Sauvignon

Production: 50 Cases (2 Barrels)

Retail Price: \$150/Bottle

Winemaker Notes

The 2023 Disciples Cabernet Sauvignon 777 Vineyard opens with an expressive bouquet of fresh raspberry, wild strawberry, and strawberry jam, layered with savory herbs and warm baking spices. Medium to full-bodied, the palate reveals generous depth and a supple, layered texture, supported by lively acidity and velvety, finely integrated tannins. Beautifully balanced and polished, the wine carries its vibrant red-fruit character through a long, elegant finish. Approachable in its youth, the wine possesses the structure and depth to evolve gracefully over the next decade.
